

When youth experience microaggressions, their mental health suffers

During the past 30 days, I felt worthless...

None of the time A little of the time Some of the time Most of the time All of the time

During the past 12 months, I dealt with being told hurtful or offensive jokes/comments about my race.

Question: Q17, Component: Racial Justice, Equity, And Inclusion, Subcomponent: Microaggressions. Question: Q9, Component: Strong Minds, Subcomponent: Psychological Distress. Data Source: Catalyst California calculations of Bold Vision Youth Thriving Survey, 2024.
