

Having a spark in life supports emotional health and hope for the future, but LGBTQIA and NHPI youth are least likely to believe they have a spark

Survey Question: When people are really happy, energized, and passionate about their talents, interests, or hobbies, we say they have a “spark” in their life.... Do you have this kind of spark in your life?

Data Source: Catalyst California calculations of Bold Vision Youth Thriving Survey, 2024. *Estimates are unreliable. Some estimates are omitted when based on fewer than 5 respondents. AIAN= American Idian and Alaskan Native; NHPI= Native Hawaiian & Pacific Islander; SWANA= Southwest Asian & North African; For more information on each group's definition, please refer to the 2025 Bold Vision Youth Thriving report.
